Executive Summary:

On January 20, 2021, the California Department of Aging issued Health Insurance Counseling & Advocacy Program (HICAP) Standard Agreement Amendment #2 to the Human Services Department (HSD), augmenting funding for HICAP services. The augmentation will allow HSD to increase HICAP services by \$27,137 through its contract with Senior Advocacy Services.

Discussion:

The California Department of Aging (CDA) issues Health Insurance Counseling & Advocacy Program (HICAP) Standard Agreement amendments each year to allocate changes to fiscal year funding for the Human Services Department Area Agency on Aging contracted services for older and disabled adults in the community.

HICAP provides Medicare beneficiaries and those imminent of becoming eligible for Medicare and their families with free one-on-one personal, unbiased, accurate and objective Medicare information and technical assistance. Program staff and volunteers help Medicare beneficiaries understand the complexities of their Medicare benefits including Prescription Drug Plans, Medicare Advantage plans, Medicare Savings Programs and long-term insurance to ensure that beneficiaries are making informed decisions. These activities are contracted to and administered by Senior Advocacy Services (SAS).

The Area Agency on Aging issued a Request for Proposal for HICAP services in October 2016 for a 4-year cycle with the term of July 1, 2017 through June 30, 2021. Senior Advocacy Services submitted the successful proposal and was awarded the contract. In addition to the HICAP program, Senior Advocacy Services provides other program services that include: the Ombudsman program, Elder Abuse Prevention, and Medicare Improvements for Patients and Providers Act (MIPPA).
