Executive Summary:

This item requests authorization to add one full-time Victim Witness Advocate I/II to support victims of crime perpetrated by those released as a result of California Public Safety Realignment Act (Assembly Bill 109) and provide additional support to victims of domestic violence, sexual assault and other crimes. The Victim Witness Advocate will help ensure that the victim has information and support throughout the criminal justice process. This position will be funded by the Sonoma County Community Corrections Partnership (CCP) via California Public Safety Realignment Act (Assembly Bill 109). The CCP approved this funding request on August 30, 2021. The funding will be requested by the department on an annual basis through the Sonoma County Community Corrections Partnership.

Discussion:

The District Attorney's Office proposes the addition of one full-time Victim Witness Advocate I/II to ensure

that the victims of crime, perpetrated by those that are released as a result of California Public Safety Realignment Act (Assembly Bill 109), have the appropriate resources and support mandated by Marsy's Law (Victim's Bill of Rights as described in the California Constitution). The Victim Advocate I/II will provide support to victims of domestic violence, sexual assault and other crimes and is an important part of making sure that victims' voices are heard and they are connected to adequate services available to them including assistance with Victim Compensation Board applications, support with civil and criminal restraining orders, establishing a safe shelter situation, and are made aware of Marsy's Law protections. Victim Advocates provide mandated and optional services and will be funded by the Sonoma County Community Corrections Partnership via California Public Safety Realignment Act (Assembly Bill 109). The funding will be requested by the department on an annual basis through the Sonoma County Community Corrections Partnership as part of their budgetary approval process.
