Title:
Amendment of License Agreement for the Windsor Chamber of Commerce, 9001 Windsor Road, Windsor

Recommended Action:

- A) Authorize the General Services Director to execute the second amendment to the license agreement between the County, the Town of Windsor, and the Windsor Chamber of Commerce & Visitors Center, for the Chamber's use of office space at the Windsor Depot, located at 9001, Windsor Road, Windsor, to renew the agreement and extend the term through August 2022 provide certain extension options; and to revise the monthly rent.
- B) Authorize the General Services Director to execute future amendments and associated documents required for administration of the agreement, in consultation with County Counsel, which are consistent with the essential terms of the original agreement and do not extend the term of the agreement.
- C) Make findings as required by Section 26227 of the Government Code that the agreement, as amended, is necessary to meet the social needs of the population of the County and that the County does not need the subject premises during the extended term of the agreement.

(Fourth District)

Executive Summary:

This matter involves a license agreement with the Windsor Chamber of Commerce & Visitors Center, for use of County-owned office space in the Windsor Depot located at 9001 Windsor Road, in Windsor. In addition to Chamber services, the Chamber provides transit information and related services to visitors and residents of Sonoma County at the office location. The amendment would, among other things, extend the term of the license through August 2022 and provide for options to extend through August 2027.

Discussion:

Background for License Agreement with the Windsor Chamber of Commerce. In September 2004, the County, the Town of Windsor (Town), and the Sonoma-Marin Area Rail Transit District (SMART) entered into a 20-year cooperative use agreement (Cooperative Agreement) for the development, maintenance and use of a commuter park & ride lot and transit passenger building, known as the Windsor Intermodal Transportation Facility (the Project), on land owned by SMART, located at the intersection of Windsor River Road and Windsor Road in Windsor, CA. In accordance with the Cooperative Agreement, the County and the Town of Windsor jointly own the Project land, property improvements, and the Project facilities, except for the SMART-owned right-of-way.

As permitted under the Cooperative Agreement, in August 2007, the County and the Town of Windsor executed a license agreement with the Windsor Chamber of Commerce & Visitors Center (Chamber), to provide the Chamber with 1,639 sq. ft. of office space, located within the Windsor Depot transit building, at 9001 Windsor Road, Windsor (Depot Premises).

Consistent with the Cooperative Agreement, the Chamber uses the office space to provide general transit information and sale of County Transit and other applicable transit passes to citizens and visitors to Sonoma County. In addition to providing the services noted, the Chamber pays monthly rent, subject to 4% annual increases. Rent proceeds are collected by Sonoma County Transit and are used to support the maintenance and upkeep of the Windsor Intermodal Facility.

The license expired on August 15, 2021, and the Chamber is holding over month-to-month, pending approval of the proposed amendment. Staff has negotiated an extension of the Chamber agreement, with the following terms:

Term: Extended through August 15, 2022. The amendment provides five, 1-year extensions for a total term extension through August 15, 2027.

Rent: \$1,125 per month, with 4% annual increases.

Additional

Use: In addition to being required to provide general transit information and selling Sonoma County Transit and other applicable transit passes to the general public, the Chamber will be allowed to sell products (i.e., clothing, mugs, magnets, etc.) to promote local Sonoma County tourism, businesses and hospitality.

Public interest. Government Code Section 26227 allows the board of supervisors to contract with and make real property available to other public agencies and nonprofits to operate those programs which the board of supervisors determines will service public purposes. The Chamber license agreement will continue to serve the social needs of the population of the County, as the Chamber provides pertinent transit information and sells transit and other applicable passes to the general public, and the Depot Premises provides office space for the Chamber to conduct its operations for the benefit of the general public. The County has no foreseeable need to use the Depot Premises for its own purposes.
