After a successful nationwide recruitment and extensive selection process, it is recommended the Board of Supervisors appoint Derrick Neal as the new Director of Health Services.

Discussion:

The Director of Health Services reports to the Board of Supervisors and oversees the County's public health and behavioral health services, which promote, protect and ensure access to services to support the health and well-being of all residents in Sonoma County. The Director has a critical role in collaborating with community partners, emergency management departments and businesses to establish local health related priorities. The Director oversees four divisions: Administration, Public Health, Behavioral Health and Health Policy, Planning and Evaluation. More recently, the Department of Health Services has led the COVID-19 Pandemic response for the County. The Department of Health Services has a fiscal year budget of \$275 million

dollars and has approximately 580 total staff.

Upon the announcement of the former Director Health Services resignation, Human Resources coordinated with Wendi Brown Creative Partners, Inc. a public sector executive search firm, to conduct an extensive nationwide recruitment. The most highly qualified candidates were invited to interview with a diverse group consisting of subject matter experts, community stakeholders, and County department heads, the County Administrator, and the Board of Supervisors. At the conclusion of the process, The Board of Supervisors selected Derrick Neal as the next Director of Health Services.

Mr. Neal is a health administrator with extensive experience in public and behavioral health and has served in many different roles in County and State government. Mr. Neal was most recently the Executive Director for Williamson County and Cities Health District. Before that, Mr. Neal spent three years as director of the Victoria County Public Health Department in Victoria, Texas.

Mr. Neal earned a Masters of Public Administration from the University of Illinois and a Bachelors of Arts degree in Sociology from Jackson State University. He is a PhD candidate in Public Administration with Capella University.

The Personal Services Agreement with Derrick Neal places him at the “E” step of the salary range, with an annual salary of \$228,876 with an effective term from December 1, 2021 through November 30, 2024 and all other benefits and compensation as prescribed in the Salary Resolution 95-0926. If the Board approves today’s action, Mr. Neal will officially start on December 1, 2021.
