### Executive Summary:

The County's Human Resources Department is responsible for managing the County-wide classification and compensation structure. Components of this responsibility include ensuring employees are appropriately classified, administering the County's Compensation Plan, and assisting departments with organizational changes when they involve classification reviews. Regularly, the department conducts classification and compensation analyses, and develops reports and presents recommendations to incumbents, unions, departments, and in many situations the Civil Service Commission. Ensuring employees are appropriately classified and having a sound classification plan results in the County's ability to attract and retain a highly qualified, engaged workforce charged with providing the most efficient services possible for our community.

In resolutions before your Board today, Human Resources requests approval to implement the final recommendations resulting from classification studies and amendments to the Department Allocation Lists for the County Administrator's Office, County Counsel, and Regional Parks.

**Discussion:**

Classification is a method for categorizing jobs based on duties, responsibilities, and a variety of other factors. A classification plan contains all of the classifications in the agency and forms the basis for setting job expectations, consistent and fair job entrance requirements, equitable compensation, and plays an important role in the budget. Human Resources is responsible for managing the County's classification plan by evaluating job descriptions for vacant, filled, and new positions to ensure that they are assigned to the appropriate classifications. Positions are assigned, or allocated, to departments based on Human Resources' determination of the appropriate classification.

The majority of the County's positions/classifications are in the County's Civil Service System. Therefore, most classification changes and new classifications are reviewed and approved by the Civil Service Commission, and the Board has final approval authority prior to the implementation of any classification changes. However, four agencies (i.e., Agricultural Preservation and Open Space District, Community Development Commission, Sonoma County Fair, and Sonoma County Water Agency) are not governed by the County's Civil Service System, and the Board has sole authority for the related classification and compensation issues. As part of this effort, Human Resources is seeking approval for the following changes in classifications and allocations.

**County Counsel**

A position review classification study was conducted of the Legal Assistant positions within the County Counsel's Office, which resulted in the development of the new classification of Paralegal. Under general direction, this class will perform a wide variety of responsible paraprofessional legal work for County attorney staff including conducting legal research, drafting and preparing legal documents; assisting in case and court preparation; performing difficult and responsible duties in support of an attorney's case work, independently or with minimum direction, along with performing other related duties as assigned. The study further concluded that a reclassification of the studied positions and retention of the incumbents, in accordance with Civil Service Rule 3.3B, was appropriate. The Civil Service Commission approved the recommendation of the position review classification review study at their July 1, 2021 meeting.

Bargaining Unit, Fair Labor Standards Act (FLSA), and Salary Determination: Pursuant to the County's Employee Relations Policy, Human Resources determined the appropriate bargaining unit for the new Paralegal classification to be Bargaining Unit 05-SEIU. This classification is non-exempt, pursuant to the guidelines of the Fair Labor Standards Act. As such, Human Resources and the Service Employees International Union (SEIU) participated in a meet and confer session regarding the new classification, which resulted in a Letter of Agreement between the parties (Resolution 1; Attachment B).

Based on an evaluation of both market data and internal equity factors, Human Resources has determined that the salary for Paralegal should be set at \$6,230/1-step monthly. For ongoing salary administration purposes, the salary will be placed at 10% above the benchmark classification of Legal Assistant.

Human Resources seeks approval to establish the new classification and salary of Paralegal, and amend the County Counsel's Office Department Allocation List to reflect the deletion of eight FTE Legal Assistant-

Confidential allocations, and the addition of eight Paralegal allocations.

### **Regional Parks**

Human Resources recently concluded a position review study of an Administrative Aide position at Regional Parks. Based on information provided in the study, it was determined that the scope of work assigned to the position had changed and was outside to scope of the Administrative Aide classification.

As such, it was determined a reclassification of the position to Project Specialist with the retention of the incumbent, in accordance with Civil Service Rule 3.3B, was appropriate. The Civil Service Commission approved the recommendation of the Position Review study at their September 16, 2021, meeting.

Human Resources seeks approval to change Regional Parks' Department Allocation List to reflect the deletion of one FTE Administrative Aide allocation and the addition of one FTE Project Specialist allocation.

### **Sonoma County Employees' Retirement Association**

At the September 14, 2021, Board meeting the new classification of Assistant Retirement Administrator/Chief Legal Counsel was established, and an incorrect Job Code number was included in the Appendix A - Salary Resolution 95-0926, Salary Tables. Human Resources seeks approval to correct the administrative error and revise the Job Code.

### **County Administrator's Office**

At the November 16, 2021 Board meeting, Personnel Resolution 21-0461 was approved, deleting one FTE Department Analyst, and adding one FTE Administrative Analyst I for the Cannabis Local Equity Program. The Administrative Analyst classification series is alternatively staffed and should be appropriated and allocated at the highest level of the series, Administrative Analyst III, not the entry level, Administrative Analyst I. Human Resources seeks approval to correct the administrative error and revise the County Administrator Office's allocation table, effective November 16, 2021, to reflect the addition of 1.0 FTE Administrative Analyst III in place of 1.0 FTE Administrative Analyst I.
