Title:
Board of Supervisors 2022 Calendar Items of Significant Interest

Recommended Action:
Review and adopt the 2022 Board Calendar of Items of Significant Interest.

Executive Summary:
Annually the Board discusses strategic priorities and Board content for consideration.

Discussion:
Twice annually the Board reviews proposed items of significant public interest. Per the Board Rules of Procedure Rule 45, this item is the first review of the Calendar of Significant Interest for 2022.

The review provides an opportunity for the Board to discuss policy priorities and to give direction to the County Administrator regarding significant items throughout the year. The objective with the current calendar is to schedule no more than 80% capacity for each meeting to allow space for urgent additions. Such items may include land use hearings that arise throughout the year. As can be seen in Attachment 1, the majority of dates and months have some remaining capacity although some months remain fuller than others.
