Title:
Maintenance Contract with California Department of Transportation

Recommended Action:

Approve a Resolution authorizing the Chief Probation Officer to execute a contract between the Sonoma County Probation Department and the State of California Department of Transportation (CalTrans) for revenue not to exceed \$1,008,000 for the Supervised Adult Crew program to provide maintenance and restoration services along various Marin and Sonoma County state routes from July 1, 2022 through June 30, 2025.

Executive Summary:

The Probation Department requests Board approval to enter into this contract with the California Department of Transportation (CalTrans), for services to be provided by the Sonoma County Probation Department Supervised Adult Crew (SAC). This contract provides payment to Sonoma County Probation Department in an amount not to exceed \$1,008,000 for the term of July 1, 2022, to June 30, 2025.

Discussion:

In 1985, the Sonoma County Board of Supervisors authorized the Supervised Adult Crew (SAC) Program under Penal Code section 4024.2. The SAC Program allows low-risk offenders to work on community projects in lieu of jail. The Program leverages tax dollars by charging fees for services at a labor savings to taxpayers, allows government to complete projects that would otherwise be unaffordable, and allows persons who have been convicted of crimes to contribute labor toward meaningful public benefit projects. The Board has subsequently endorsed revenue-generating agreements for SAC to perform work for general maintenance and landscaping work for state and local governmental agencies and non-profit organizations.

The proposed contract in the amount not to exceed \$1,008,000 in anticipated revenue to the County continues this relationship between CalTrans and Sonoma County Probation. This contract directs SAC to perform roadside maintenance along CalTrans Right of Way in Marin and Sonoma Counties on various state routes. The scope of work in this agreement is identical to those approved by the Board in the past. SAC will be contracted to provide one 5-10 person work crew, plus a supervisor for the crew throughout the contract term.

Consistent with Penal Code 4024.2(b)(1)(D) typical crew duties in this contract include: clearing or trimming of overgrown brush and trees obstructing visibility, replanting vegetation, repairing and clearing drainage ditches, removing weeds, collecting and eliminating litter within state's right of way.

The work under this contract is anticipated to begin in July 2022. The work will proceed according to a schedule as agreed upon with the Department of Transportation until the contract maximum of \$1,008,000 is met or until June 30, 2025 when the contract expires, unless extended by an amendment.
