Staff Name and Phone Number: Lindsay VanMidde (707) 565-3279

Vote Requirement: Majority

Supervisory District(s): Countywide

Title:

Annual Financing for the Alternative Method of Property Tax Allocation (Teeter Plan) for delinquent property taxes for the fiscal year ending June 30, 2022

Recommended Action:

- Approve the resolution authorizing the annual financing used to advance delinquent secured taxes to taxing jurisdictions in fiscal year 2021-22 in the amount of \$13,185,200 and the renewal of prior delinquent tax anticipation notes in the amount of \$10,249,100 pursuant to the Alternative Method of Property Tax Allocation.
- Authorize the Chair of the Board of Supervisors to sign the delinquent tax anticipation notes.

Executive Summary:

In 1949, the State Legislature adopted Revenue and Taxation code sections 4701-4722 which authorized the Alternative Method of Property Tax Allocation. This alternative method was proposed by Mr. Desmond Teeter, the Auditor-Controller for Contra Costa County, and is now commonly referred to as the Teeter Plan. Under the alternative method, counties allocate current secured property tax revenues based on total property tax billed but not yet paid; whereas, the previous cash method only allows allocation of paid secured property taxes. This alternative method provides for more stable and reliable annual property tax revenues, and simplifies the property tax estimation and allocation process. This requested action will allow for the continued operation of the Alternative Method of Property Tax Allocation for another year and has no impact on Teeter revenues currently budgeted in Fiscal Year 2022-2023.

Discussion:

Due to budget shortfalls in the early 1990's, the 1993 State budget included the 1993-94 Educational Revenue Augmentation Fund (ERAF II) shift, which transferred property tax revenues from counties to schools for the second consecutive year. SB742 was passed by the State Legislature and allowed counties that implemented a Teeter Plan to take a one-time credit against the ERAF shift. In June 1993 with the endorsement of taxing jurisdictions, the Sonoma County Board of Supervisors approved the Alternative Method of Property Tax Allocation.

Under the alternative method, taxing jurisdictions, including the County General Fund, receive their portion of current secured taxes that are delinquent at year-end. State law allows these property tax advances to be funded through the issuance of Delinquent Tax Anticipation Notes (Notes). Notes are issued for a term of one year and are renewable for up to ten consecutive one-year terms. As security for the Notes, the County pledges all secured taxes to be collected which were delinquent and advanced to taxing jurisdictions. The principal balance of the Notes is reduced as property owners pay delinquent taxes or from the proceeds of the sale of tax-defaulted properties. Repayment of these Notes can take several years and, under the County's Teeter Plan, the Board of Supervisors (Board) is required to annually approve each year's delinquency Note for the outstanding principal amount. Interest on the Notes is paid from the Tax Loss Reserve Fund.

The Tax Loss Reserve Fund is made up of penalties and interest portion of delinquent secured tax, and is required by state law to maintain a minimum of 1% of the current secured property tax levy to ensure that sufficient funds are available to repay the Notes in the event that the full value of the delinquent taxes are not recovered. In FY 2009-10, the Board adopted a Teeter Policy that established a restricted reserve requirement equal to 2% of the levy. In FY 2015-16, the Board temporarily reduced the reserve target to 1.25% to finance a one-time roads pavement preservation investment with the objective of re-establishing the 2% reserve from the future collection of penalties. During the most recent budget hearings for the adoption of FY 2022-2023 budget, the Board of Supervisors approved the use of \$4.2 million in fund balance to address other county priorities. The Tax Loss Reserve Fund is projected to have a balance of \$20.4 million on June 30, 2023. This projected balance is \$5.0 million greater than the temporarily reduced reserve target of 1.25%; however, it is still \$4.3 million short of the 2% reserve policy.

The delinquency rate and delinquent secured tax amount have increased since the last reporting period:

- Delinquent secured taxes totaled \$23.4 million at the start of FY 2022-23, up from \$21.3 million at the start of FY 2021-22.
- The secured roll delinquency rate increased from 1.05% in FY 2020-21 to 1.11% in FY 2021-22.

Interest expense on the Notes is calculated on the outstanding balance of delinquent secured taxes and is estimated to be \$250,000 in 2022-23.

A detailed breakdown of the prior Notes being renewed is included in Attachment 1.

Strategic Plan:

N/A

Prior Board Actions:

08/21/1993: Implemented the Alternative Method of Property Tax Allocation & approved financing. Each year thereafter annually to approve financing.

06/29/1993: Adopted the Alternative Method of Property Tax Allocation.

FISCAL SUMMARY

Expenditures	FY 22-23 Adopted	FY23-24 Projected	FY 24-25 Projected
