Title:
Parks for All Measure M Annual Report, 2021-2022

Recommended Action:

Receive the findings and conclusions from the Citizens Oversight Committee on "Parks for All" Measure M Annual Report 2021-2022.

Executive Summary:

The Citizens Oversight Committee for "Parks for All" Measure M, conveys their findings and conclusions to the Board of Supervisors and to all the City Councils that the third Annual Report for this ten-year measure is complete, and that it meets the intent of the ordinance.

Discussion:

"Parks for All" Measure M passed in November 2018 authorizing a one-eighth cent special use tax county-wide to support county and city parks. Per Ordinance #6238, the Board of Supervisors established a Citizens Oversight Committee (hereinafter "the Committee") to monitor the implementation of this measure. Per the ordinance, the Committee shall receive an Annual Report no later than six months after the conclusion of the fiscal year. The Committee received and reviewed the second Annual Report in November 2022. The Committee adopted a resolution finding that the 2021-2022 Annual Report meets the intent of the measure and conveys to the public how funds were spent to support the parks, and what fund balances remain to spend on parks in future years.

The Annual Report is also a tool for communicating to the public the impact of these dollars in providing essential parks services to the community.

Strategic Plan:

This item directly supports the County's Five-year Strategic Plan and is aligned with the following pillar, goal, and objective.

Pillar: Climate Action and Resiliency

Goal: Goal 5: Maximize opportunities for mitigation of climate change and adaptation through land conservation work and land use policies

Objective: Objective 2: Develop policies to maximize carbon sequestration and minimize loss of natural carbon sinks including old growth forests, the Laguna de Santa Rosa, and rangelands. Encourage agricultural and open space land management to maximize sequestration
