Discussion:

The purpose of the Commission on the Status of Women is to promote equal rights and opportunities that enhance the quality of life for all women and girls, and to address issues of discrimination and prejudice that negatively affect women in Sonoma County.

The Commission continues to discuss and re-addressed priorities, goals and commitments to the women and girls in Sonoma County and their ability to meet the goals of the Commission.

The Commission held a strategic planning session in August 2022 to determine the goals and focuses for the near future.
