Discussion:

Transient Occupancy Tax Funding

The Transient Occupancy Tax (TOT) is levied at a rate of 12% in unincorporated Sonoma County, a rate established in 2016 by the voter-approved Measure L. The first 9% of the TOT rate is allocated 33% to the General Fund and 67% to the Community Investment special revenue fund. The last 3% includes Measure L funds and are allocated according to the Community Investment Fund Policy <<https://sonomacounty.ca.gov/administrative-support-and-fiscal-services/county-administratorsoffice/community-investment-fund-program/community-investment-program-policy>>.

Tourism Impact Funds

One component of the Measure L voter-approved rate is the Tourism Impact Fund, established to mitigate the impacts of tourism. The Tourism Impact Fund allocates 10% of Measure L budgeted revenue among the Supervisorial Districts, according to the percentage of Transient Occupancy Tax revenue collected in each District during the previous fiscal year.

The Tourism Impact Fund was established to meet unique and urgent needs of areas within unincorporated Sonoma County that are most impacted by tourism. District Supervisors recommend how funding should be allocated in their district, for approval by the Board of Supervisors. In order to address urgent needs in a timely manner, the Board of Supervisors awards Tourism Impact Funds multiple times a year.

Funds in this category may be used for activities such as safety improvements (i.e.: lighted and/or marked crosswalks, traffic calming devices), environmental impact mitigation (i.e.: removing trash from beaches, waterways, and areas with high tourist traffic), public safety (i.e.: Fire Services), and other tourism mitigation activities, such as parking enforcement in heavily trafficked areas. Funds may be used to support organization that coordinate community improvements, such as Municipal Advisory Councils. Assuming sufficient funds are available, allocated and unused district allocated funds in a single fiscal year will be available in following fiscal years.

Funds will be disbursed upon Board approval and the execution of Tourism Impact Fund Grant Agreements. The agreements will require the County logo on promotional materials produced using the grant award and will require submission of receipts to the County Administrator’s Office for the total amount of the grant award.

Due to the scope and nature of projects funded by the Tourism Impact Fund, a project may require modification as the work/project may not be completed within the fiscal year, necessitating an extension of time or modification of allowed uses for the organization to complete the project. Therefore, it is recommended that the County Administrator, or designee, be authorized to amend the contracts to lengthen the time schedules and make minor modifications to the allowed uses that do not increase the amount awarded under the agreement.

Activities performed utilizing Community Investment Program funds provide public benefits that serve important community needs under Government Code Section 26227.
