Annual Submission of Data on Immigration and Customs Enforcement Access

Recommended Actions:

Accept the Sheriff's calendar year 2018 data on Immigration and Customs Enforcement access as outlined in Government Code 7283.1(d). (Informational Only)

Executive Summary:

Government Code 7283.1 (d), part of California Government Code Chapter 17.2 - Standards for Participation in United States Immigration and Customs Enforcement (ICE) Programs, requires that the Board of Supervisors hold an annual public forum to provide information to the public about Immigration and Customs Enforcement's (ICE) access to individuals and to receive and consider public comment. The Code also specifies that the Sheriff may provide related data to the Board to be included as part of this forum. This Board Item is requesting that the Board hold the public forum, accept the Sheriff's data related to Immigration and Customs Enforcement access, and receive and consider public comment.

Discussion:

Government Code 7283.1 (d), requires that "Beginning January 1, 2018, the local governing body of any county, city, or city and county in which a local law enforcement agency has provided ICE access to an individual during the last year shall hold at least one community forum during the following year, that is open to the public, in an accessible location, and with at least 30 days' notice to provide information to the public about ICE's access to individuals and to receive and consider public comment. As part of this forum, the local law enforcement agency may provide the governing body with data it maintains regarding the number and demographic characteristics of individuals to whom the agency has provided ICE access, the date ICE access was provided, and whether the ICE access was provided through a hold, transfer, or notification request or through other means. Data may be provided in the form of statistics or, if statistics are not maintained, individual records, provided that personally identifiable information shall be redacted."

The "Notice of Public Hearing" was published in the Press Democrat on May 4, 2019 in compliance with the 30-day advanced notice requirement. As part of the Board of Supervisors' Immigration and Customs Enforcement Access Public Forum, the Sheriff's Office is submitting the calendar year 2018 immigration data detailed in Attachment A.

Prior Board Actions:

A Public Forum was held and the Board received data for 2017 on April 10, 2018.
