Title:

District Attorney Marginalized Victims Program

Recommended Action:

Adopt a resolution authorizing the District Attorney to execute a contract with the California Governor's Office of Emergency Services to accept \$184,805 in grant funding for the Marginalized Victims Program for the term January 1, 2020 through December 31, 2020.

Executive Summary:

On March 12, 2020, the District Attorney's Office was notified its project was selected to receive funding, for a second year, for the Innovative Response to Marginalized Victims Program of the California Governor's Office of Emergency Services (CalOES). Board approval and authorization is requested to allow the District Attorney to accept the grant award of \$184,805.00 for FY 2019/2020 and 2020/2021.

The purpose of the CalOES Victim Services & Public Safety Branch, Underserved Victims Unit's Marginalized Victims Program is to support innovative projects that serve marginalized victims of crime. The District Attorney's Victim Services Division will work in tandem with Social Advocates for Youth to provide services to victimized foster-care youth.

Discussion:

The program is supported with federal funds from the Victims of Crime Act (VOCA) Victim Assistance Formula Grant Program. The Program Objectives include: a) Provide direct victim services to respond to the emotional, psychological and/or physical needs of marginalized crime victims; b) Assist victims to stabilize their lives after victimization; c) Assist victims to understand and participate in the criminal justice system, and d) Restore a measure of security and safety for the victim.

The District Attorney's Victim Services Division, in collaboration with Social Advocates for Youth (SAY), will continue to focus on foster-care youth. Young people, especially those experiencing homelessness, are among the most criminally vulnerable population. District Attorney staff will continue to liaison with Human Services' Family, Youth & Children Division personnel to provide training, process claims through the California Victim Compensation Board, and provide all mandated services for cases that result in criminal prosecution.

SAY operates the only youth shelters between San Francisco and southern Oregon, providing safe and stable shelter and housing with comprehensive services, which are the foundation for healing. The CalOES Marginalized Victim Program funding provides direct services to help victimized foster youth. The grant funding also helps improve outreach efforts and services available to foster youth in Sonoma County, including increasing SAY's ability to designate housing for foster youth victims of crime and to complete the critical continuum of victim services.

This program makes funding available for SAY to provide direct mental health therapy and case management services to clients. A 20% match requirement for grant funding will be provided through the staffing of the 24-hour Youth Crisis Line operated by SAY. The District Attorney is working with County Purchasing on a professional service agreement with SAY, an agreement for \$76,128.00 for 2020 calendar year.

Two District Attorney staff will also be actively involved in supporting this victim service program, the Director of Victim Services and the Senior Victim Advocate. The Director is ultimately responsible for oversight of the program and grant reporting requirements. The Senior Victim Advocate will work collaboratively with the SAY staff and with victims to provide program and victim support, and acts as the supervisor in the Director's absence.

The District Attorney's Office requests Board authorization for the District Attorney to sign a contract with the California Office of Emergency Services to accept the grant award for \$184,805 for the term January 1, 2020 through December 31, 2020.

Prior Board Actions:

The Board of Supervisors granted approval to accept the California Governor's Office of Emergency Services for the Marginalized Victims Program funds on January 29, 2019.
