**Executive Summary:**

The Citizens Oversight Committee for "Parks for All" Measure M, conveys their findings and conclusions to the Board of Supervisors and to all the City Councils that the second Annual Report for this ten-year measure is complete, and that it meets the intent of the ordinance.

**Discussion:**

"Parks for All" Measure M passed in November 2018 authorizing a one-eighth cent special use tax county-wide to support county and city parks. Per Ordinance #6238, the Board of Supervisors established a Citizens Oversight Committee (hereinafter "the Committee") to monitor the implementation of this measure. Per the ordinance, the Committee shall receive an Annual Report no later than six months after the conclusion of the fiscal year. The Committee received and reviewed the second Annual Report in November 2021. The Committee adopted a resolution finding that the 2020-2021 Annual Report meets the intent of the measure and conveys to the public how funds were spent to support the parks, and what fund balances remain to spend on parks in future years.

The Annual Report is also a tool for communicating to the public the impact of these dollars in providing essential parks services to the community.
