Title:

Federal Transit Funding Authorizations

Recommended Action:

- A) Approve a Resolution authorizing filing of applications and providing required assurances for federal transit assistance.
- B) Authorize the Director of Transportation and Public Works to file and execute applications and other necessary documents and instruments on behalf of the County of Sonoma/Sonoma County Transit for federal transit assistance.

Executive Summary:

This Resolution provides authorization by the Board permitting the County of Sonoma/Sonoma County Transit to file applications for federal transit capital assistance through Federal Transit Administration funding programs during fiscal years 2021-22, 2022-23 and 2023-24.

The Resolution also states certain programming and funding commitments necessary for obtaining all applicable funding, including regarding local match funds and other program conditions.

Discussion:

Sonoma County Transit seeks federal transit assistance, under various applicable programs, for transit capital projects. Sonoma County Transit receives federal assistance directly through the Federal Transportation Administration or as a subrecipient through Caltrans. Federal funds are programmed by the Metropolitan Transportation Commission.

Specific projects are identified in the Transit Division budget, Capital Improvement Plan and Short-Range Transit Plan. Local match sources are identified annually to meet funding requirements associated with these projects. No General Fund monies are used as the local funding match.
