Title:

Grant Funding from the State of California Department of Veterans Affairs and Funding Agreement with Santa Rosa Junior College

Recommended Action:

- A) Authorize the Director of the Human Services Department to execute a grant agreement in the amount of \$280,000 with the State of California, Department of Veterans Affairs, to provide mental health outreach and benefits counseling to vulnerable veterans and their dependents for the period of July 1, 2022, through June 30, 2024.
- B) Authorize the Director of the Human Services Department to execute an agreement in the amount of \$294,820 with Santa Rosa Junior College to provide mental health outreach and counseling services to veterans and their dependents for the period of July 1, 2022, through June 30, 2024.

Executive Summary:

The Human Services Department (HSD) applied for new Proposition 63 grant funding through the State of California Department of Veterans Affairs (CDVA), Mental Health Services Act, and was awarded \$280,000. The funding goes from July 1, 2022, through June 30, 2024, and will provide mental health outreach and benefits counseling to vulnerable veterans and their dependents, with an emphasis on those associated with the Santa Rosa Junior College (SRJC). An additional \$14,820 of one-time Prop 63 funding given to the County annually will be split evenly over the next two fiscal years to augment the grant funds of \$280,000, bringing the total to \$294,820.

Discussion:

As the lead agency, the Adult and Aging Services Division, Veterans Services Office (VSO), will subcontract with the SRJC to continue the SRJC Veterans Collaboration. The purpose of this program is to reduce the number of veterans experiencing mental health crises and to reduce or eliminate barriers caused by mental health issues for veterans within the Sonoma County community.

This project entails collaboration between several community providers including Legal Aid of Sonoma County, Nation's Finest, SRJC, and the Sonoma County VSO. These providers will work together to provide wraparound services to veterans attending SRJC, as well as at-risk veterans living countywide. Through this effort, eligible veterans will have access to legal assistance, housing assistance, case management, mental health screening and counseling, transportation, and benefits screening and enrollment. Together, these coordinated services will continue to enhance the lives of veterans residing in Sonoma County, and will reduce the number of

veterans suffering from mental health issues who cannot or are reluctant to access care.

SRJC will spearhead this effort through a dedicated Peer Specialist who will coordinate all project activities across the various providers, and will be located on SRJC's main campus in Santa Rosa. The Specialist will refer individual veterans to the appropriate providers, including on and off-campus services.

Prior Board Actions:

July 14, 2020 - Authorized the HSD Director to execute a grant agreement in the amount of \$283,280 with the State of California Department of Veterans Affairs, Mental Health Services Act, and authorized the HSD Director to execute an agreement with Santa Rosa Junior College to implement a collaborative program for wraparound services for veterans.

June 11, 2019 - Authorized the HSD Director to execute two separate grant agreements each in the amount of \$49,000 with the State of California Department of Veterans Affairs for a period of July 1, 2019, through June 30, 2020. The agreements were for the Forgotten Warrior Project and for Sonoma County VSO Veteran Peer Specialist program.
